<h2>Are they in immediate danger?</h2>

If the missing person is in immediate danger, is a young child or vulnerable to harm, call 999 now.
If you have a hearing or speech impairment, use our textphone service 18000 or text us on 999 if you’ve pre-registered with the emergencySMS service<svg class="c-external-link" aria-hidden="true"><use xlink:href="#icon-external-link"></use></svg>.

You do not have to wait 24 hours to report someone missing. It is not wasting police time to report someone missing. We are here to protect you and your loved ones.
Your report will be dealt with by our control room in exactly the same way whether you report it online or call 101. You will get an email confirming that we've got your report and telling you what will happen next. And you may find it easier to answer the questions online at your own pace.
Before you start to fill in a missing person form, we will ask you a few questions to make sure reporting them missing online is the right thing to do.

<p>Many cars these days come with GPS trackers to locate them if they're lost or stolen. If this is the case for your car, please contact your dedicated tracking service before contacting us – if the car genuinely appears to have been stolen they'll usually contact us on your behalf.</p>
